Governor,

I commend you for your support and speedy enactment of instate tuition rates for active military personnel.

Please now direct this same level of effort and enthusiasm to those of us who have served faithfully and have retired from the active ranks by enacting S 0439: SC Giving Back to Our Veterans Act. Veterans have long been, and continue to be, the forgotten, neglected, silent servers.

Additionally, this bill would draw many more military retirees to Our Great State. What better addition to our proud, hard-working citizenry?

God Bless America, Our Great State, and Our Patriotic Veterans!

Never forget those who served.....
