It looks like these folks are interested in discussing a piece of legislation they are advocating. Looping in Swati to make sure I'm the right person to meet with them.

Austin-

Please see Grant's request below. The Governor's schedule will not permit for her to meet, but this meeting is regarding an LLR Board issue so I think it may be a good idea for you or you and Katie to meet with them. Let me know what you think.

Nicole

Dear Mr. Gillespie,

Thank you for your return call yesterday. Attached please find the final draft of the bill and summary points. Is it possible to arrange a meeting with the medical board to move this forward and address any questions they may have? Dr. Deborah Long and Mr. Kit Spires are co sponsoring the bill. I would also greatly appreciate a short meeting with Governor Haley if that could be arranged?

Thank you for all your help and support.

Sincerely,

Ann Morris, CPE

President, South Carolina Association Of Electrologists
