Hi there! I'm interested in thru-hiking the Foothills trail from Oconee to Table Rock when parks reopen. I was wondering if you could give me some information regarding parking or registration. If capacity has been reached when I arrive will I still be allowed in the park to park my vehicle and begin my hike? Thanks in advance

If the park is at capacity, you will not be allowed in. The gate will be closed. If you need more info, please contact the park directly:
