Ms. Adams,

Thanks for the quote. I appreciate it, and I enjoyed seeing Gov. Haley on the airwaves earlier this week.

Thanks,

David here is a quote from the governor, let me know when you receive it.

"Whether we're celebrating another business expansion or record-breaking year for exports, South Carolina's economy is on the move thanks to a world class ports system that drives our economic development engine," said Governor Nikki Haley. "As South Carolina and Georgia renew this commitment to make the Jasper Ocean Terminal a reality, we have an incredible opportunity to strengthen our ports system – and that's a great thing, not only for the people of Jasper County but for the entire state."

Subject: Interview/Quote Request -- Hilton Head Monthly

Ms. Adams & Mr. Symmes,

My name is David Gignilliat. I am a writer with Hilton Head Monthly, and I have recently been assigned to do a short piece for our February issue on the latest plans for the Jasper Ocean Terminal.

If possible, I would like to get a brief quote from Governor Haley for this article. I know she had some public comments about the joint venture agreement signed in mid-November, so anything similar on the Jasper Ocean Terminal would be perfect

My deadline is this Friday, so if I could get a quote (however brief) from Gov. Tuesday, Wednesday or Thursday, I'd truly be in your debt. I will call your office tomorrow to follow up on this inquiry. I can send over a few questions by email, and would be fine doing it all through email or a brief phone conversation.

Thanks, and I look forward to hearing from you soon.

Regards,

David Gignilliat
