DONATE

It's #GivingTuesday on November 27, 2018, a global day of giving to kick off the charitable season and support organizations you care about! Use WIG's **DONATE button** to include us.

We hope you will consider including WIG in your year-end charitable giving! *Because of you*, WIG provided timely and actionable policy resources through our national conferences, toolkits, podcasts, public service announcements and other resources.

There are many ways to give...

- Does your company or organization have a "You Choose" giving campaign? If so, you can designate any charity or non-profit you want, including WIG, for a one-time or recurring donation, and your company may match it!
- For state legislators who are terming out, retiring, or choosing not to run for office again, did you know that you may be able to donate remaining campaign funds to non-profits like WIG? If you are interested in supporting WIG, we encourage you to review the campaign finance laws in your state!
- If you'd like to make a donation via check, we ask that you please make it payable to "Women In Government Foundation, Inc." and that you send it to our new address: 444 N. Capitol Street NW, Suite 401, Washington, DC 20001

Thank you for helping Women In Government achieve its mission of #ConnectingLegislativeLeaders and preparing the next generation for leadership!
