Thanks – Rhonda had forwarded the original request to Josh Baker and me. I asked that they read through the bills and develop their own analyses without me telling them what I think it should be. I'm trying to keep a bit of an arm's length relationship with their assessment, because I don't want anyone to be able to argue that we rigged the fiscal note for political reasons.

Christian:

We have been asked to provide a fiscal impact for S. 22 and S. 28 the Department of Administration bills. We typically request a response from Rhonda Walker (and we have), but I wanted to make sure your were aware and see if you wanted to be involved.

We have the standard form on our web page: <http://www.budget.sc.gov/OSB-forms.phtm>

Please let me know.

Thanks,  
Brenda
