Doug,

I am out of the office this week. I will be back in Monday and will look into this. Is there something specific that disallows service to disabled with Title III funding?

Thanks.

Tony

Tony

The reason why I asked the below question was that we just discovered that the AAA went back and disqualified service for disabled clients under 60 for the entire fiscal year of 2013.

I'm a team player and will follow the directives of the LGOA, and AAA, but no one can do that in arrears. If you tell me to stop a practice I will but for the AAA to go backwards goes against common business practices and our contract. It also makes going forward with pricing and service very difficult when you never know if the rules are going to be changed retroactively.

I appreciate your help in this matter.

Tony

Could you tell me when the LGOA first told us that we could no longer serve disable folks under 60? I have been asked for a document with a date but am unable to find it.

Thanks for your help
