Subject: Press events

Wanted to make sure each press event had a focus or use time to make announcements on topic then give lots of time for questions. Want to balance her personal and business of the state, Indians care more about her personal. Really want some MOU's negotiated now so we can sign there and have people standing behind her. Please have them look at an agreement to ship natural gas from Charleston that would be a big deal to India and SC. Ports visit should be big, trying to find info on what Charleston chamber group did a meeting in Mumbai 3 years ago. The business community will get more done than gov so maybe get a business rep for ports to go? Just a thought, Allison Skipper used to work for the Ports and works for you now. She could look into what it takes to get an agreement and what would be required. Seema said same pipe line that they use and trucks, just need some retro fitting. The pumping time is longer.
