Dear Mr. Bickley and Mr. Amundson:

The LGOA is in receipt of Lowcountry PSA's inquiry about AIM/GRI. GRI is not locked in AIM. This is under development by our vendor. Any GRI should be recorded in the following month if not completed by the 10th.

If you have additional questions, please contact finance via the finance helpdesk at financehelp@aging.sc.gov.

Thank you for your continued partnership in our mission to enhance the lives of South Carolina's seniors and adults with disabilities.

Ruchelle,

Can you give me a call? I don't understand how this can happen. Aren't the providers locked out of AIM on the 10th of the month?

Dear Mr. Bickley and Mr. Amundson:

The LGOA is in receipt of Lowcountry PSA's PRF for September Services. It is being returned because Hampton County COA added GRI dollars after Lowcountry ran their reports. Lowcountry must rerun their MUSR and reduce their PRF request for HCBS by the amount of the GRI.

Please resubmit a corrected PRF with a current date and supporting documentation.

If you have additional questions, please contact finance via the finance helpdesk at financehelp@aging.sc.gov.

Thank you for your continued partnership in our mission to enhance the lives of South Carolina's seniors and adults with disabilities.
