Subject: Governor Haley for Samantha Bee piece?

Hi Chaney,

After nearly 15 years with The Daily Show, I jumped over to Full Frontal with Samantha Bee a few months back. I hope you have had a chance to catch the show!

The show is going to be doing a lot of convention coverage, and Samantha has a really fun, easy, and benign idea for Governor Haley should she definitively choose not to attend the Republican Convention next month.

The Governor could do this from wherever she is. It would involve Sam wearing a camera and the Governor wearing an Oculus headset. They would talk remotely while Sam virtually shows her around the convention one day.

I think this could be a lot of fun, and Sam REALLY wants her to do this! Of course if she is in fact going to the convention, please let me know!

I look forward to hearing your thoughts.

Best,
Hillary
