## South Carolina State Parks

at 14:05:00 on 11/16/2016 UTC · 🌐

We are happy to announce that Edisto Beach State Park will re-open Friday, November 18, after being closed for over a month to recover from Hurricane Matthew. The beachfront day-use area, Live Oak Campground, cabins, education center and boat ramp all will resume regular operating hours on Friday. The oceanfront campground will remain closed while undergoing repairs and is expected to open in September 2017. We hope to see you at Edisto Beach, soon!
