Message:

I just wanted to let you know how much I appreciate the way the Christmas Tree Lighting Ceremony was held. The diverse group of singers and the way you handled what I think was possibly some protestors.

The Pastors with the prayers made me feel so proud to be South Carolina born and breed. No one was embarrassed to let it be known that Christmas was due to the birth of our Lord.

I would like to Wish You and Your Family a Very Merry Christmas and a Blessed New Year.

Sincerely,

Mrs.Zeneca H. Ford
