Good morning!!

I have reservations for camping at MB for May 8 - 11 and was wondering if I could add one night to it. I spoke with a lady at the main number and she transferred me to MB state park. It says that they will not open until May 1 (I am assuming not taking calls until then as well). I was wondering if anyone else would be able to help me with that before it is reserved.

Thank you!

You may call the reservation line Mon, Wed or Fri at 1-866-345-7275 and see, but they may not be able to add the night for you. You may have to wait until the park opens and speak to them directly.
