Hi Chaney—

The plan has changed slightly, but I'm hoping this might make it even easier to Gov. Haley. Timing has changed to 8:20—do you think she might be able to call in then? Hopefully doing this by phone will be a bit more convenient for her. The anchors are still the same—George and Amy.

Thanks again,
Emily

Great—thank you, Chaney. We could send a crew to the governor, or reserve a nearby studio. Whatever is most convenient for her.

Good morning Chaney—

I'm a producer at ABC News, and we are working on putting together our hurricane coverage for tomorrow's GMA. We'd like to include Gov. Haley in the broadcast, and I wonder if she might be available to do an interview live via satellite sometime between 7:30 and 8am. She would likely be interviewed by either George Stephanopoulos or Amy Robach.

Please feel free to call me anytime on my cell if you have any questions. 202-407-5135.
Thanks very much to you and the governor for considering it.

Very best,
Emily
