    Boardwide Allocation.doc

    1 Intro for GEAR report.doc

All,

I apologize for the confusion but the first email was missing a new document. To avoid confusion, please ignore it and use the following attachments. Retirement documents still coming later.

Chad

Subject: GEAR

I trust that you all received your draft copies of our committee's report over the weekend. Attached please find several more updated documents to add to it. As a reminder, the dial in information for our 10 am call on Monday is 803-896-9993 and enter the meeting id number (402626). To add some needed structure to the call, I would ask that we consider taking the topics below in the following order –
Items not already approved
    State Health Plan   2 items related to prescription drugs (in document)
    IRF - Vehicle insurance   (in document)
    State Fleet Management   2 items (in document)
    Boardwide Allocation   (attached)
    Dormant Funds   (attached)
    Competitive Grants   (attached)
    Retirement   New intro and discussion of defined Benefit Plan (to be emailed later tonight)
    Department of Administration   (in document)
    Introduction to report   (attached)
Other suggestions, language changes, editing, big picture thoughts etc
If you have any questions or concerns please feel to email me or call me on my cell at 843 810-1115. Again, thanks for all of your hard work on behalf of the people of South Carolina.
Chad
