Subject: Fwd: Carson prays for Trump

Friends,

Things are happening rather quickly now, and I forward you this not to change your vote but so that you are aware.

Unfortunately I had an email several days ago about the problems that could face in America. I did not send it as I thought it too off the wall. Yes, I was being politically correct. I am trying to find it to send it on. We have so much evidence to identify the enemy that it is unfortunate we do not see it clearly.

## **Trump Compares Ben Carson to a Child Molester, says Iowa Voters are Stupid!**

## **Carson Responds: Pray for Donald Trump.**

Ed --

It's shocking and sad. Please read the following from Jill Colvin of the Associated Press...

FORT DODGE, Iowa – Republican presidential candidate Donald Trump, brushing aside any recent claims of civility, has equated Ben Carson's childhood "pathological temper" to the illness of a child molester, questioned his religious awakening and berated voters who support him.

"How stupid are the people of Iowa?" declared Trump during a rally at Iowa Central Community College. "How stupid are the people of the country to believe this crap?" For more than an hour and a half Thursday night, the billionaire real estate mogul harshly criticized not only Carson, but many of his other competitors in the race for the GOP presidential nomination.

Dr. Ben Carson's response was sincere and in keeping with his Christian attitude: He simply said, "*Pray for him.*"

Indeed, Donald Trump needs our prayers. All his confidence and assurance is built upon his billions of dollars and his notoriety. We can only hope and pray that he will ask the Lord and Ben Carson for forgiveness for bearing false witness against Dr. Ben Carson.

The Bible says, in Mark 8:36: "What good is it for someone to gain the whole world, yet forfeit their soul? (NIV)

We should indeed feel sorry for Mr. Trump and keep him in our prayers.

Please do that, and if at all possible make a contribution to put Ben Carson before the voters in Iowa, New Hampshire, South Carolina and Nevada.

Right now our media team is creating television and digital ads featuring patients and professional colleagues who describe in convincing detail the good and honest character of Ben Carson.

These ads will be really powerful because they are truthful.

Some are already on the air and others will be up in the next 72 hours.

We must go on the offensive, not stay on the defensive.

Don't forget to pray for Donald Trump. Hopefully he will recant and apologize.

Frankly, I believe his outrageous comments and accusations will fall on deaf ears. In fact, I feel certain that they will not only hurt his campaign, but also boost the campaign of Ben Carson.

That's why your dollars at this very instant are so crucial.

As you know, we have recently signed a \$4.3 million agreement for television and digital advertising in the early delegate selection states.

We have also signed an extensive agreement for social media outreach to millennials, a group that supports Ben Carson stronger than any other candidate.

### **The truth is we did this on faith.**

We have \$1 million on hand, but that is far, far from having the \$4.3 million we need. We are working hard to raise the additional funds.

If we cannot raise the needed funds we will not be able to carry out the program, but rest assured we will do as much as we possibly can with what we have.

This is just the first step as the campaign gets into high gear. We will need more than \$4.3 million for the nine states that hold their primaries on March 1.

We'll get there, Lord willing.

That's why I'm asking for your immediate help today.

He needs our prayers.
