Dear Governor,

This note is confirmation of my support to you as Governor and your recent response to the President's State of the Union Address. You did a great job. I agree with your concern about turmoil in the political process and support your position on Iowa taxes, immigration, health care and education.

SC has some excellent representatives with Trey Gowdy whose early Rubio endorsement shows his strength of character. Rep Wilson and Sen Graham who both support a strong military are also excellent representatives of our state. At some point Sen Scott will become more personally assertive and less reliant on his staff. Speaker Ryan's endorsement of you was also great. Keep up the good work and good luck on your budget. If you ever need any help or support just let me know.

Warm regards
General Al Hansen USAF (ret)
