Good Morning Amy –

I just wanted to circle back around with you as I reached out to suppliers yesterday to gather some information and ideas for the golf tournament.

Here are a few thoughts and what we will be able to offer.

Red (cranberry), White (lime), Blue (blueberry) red bull with Vodka.

\*We can use striped pig vodka to keep with the “south Carolina” theme as it is distilled and bottled outside Charleston.

Charleston Bloody Mary Mix

Palmetto Moonshine cocktails

(I attached some recipes)

Barefoot Refreshers

\*3 fun summer wine coolers that we introduced last year and were a HUGE hit.

I will put this in a more formal presentation but wanted to get your input.

\*\*Everything will be donated\*\*

Let me know your thoughts.
