Hey John,

Just left you a VM a minute ago. I talked to Rick Reames, who's the boss over at the SC Department of Revenue. He says that Maggie Glass is the expert on this one, so she'll give you a call shortly. We do have an extensive range of check-off options for folks here, but I wouldn't say that our participation is quite so extensive...

If you don't get what you need from Maggie, just let me know. Thanks.

Hey, hope you are well. I have a work question that I'm wondering if you can help with or point me in the right direction. We have an innovation suggestion that the state should make accepting donations to state programs easier. Our understanding is that SC might have an extensive donation/tax return check off type of program.

Do you know who we could contact to get more information? We're trying to gauge the level of participation and average amount to see if it would cover the cost of setting up the system.

Thanks,  
John
