I did receive it. I also received the dissent from Commissioner Brill on Friday. I was in New York on Friday, so I am playing catch up. I plan to read both today. Thank you for working to get these to us prior to session. After I read, I'll be in touch. Thanks, Holly

Holly

I just wanted to check that the pdf of the FTC/DOJ statement arrived intact. We are sending hardcopy follow-up, with a cover letter signed by Marina Lao (FTC) and Bob Potter (DOJ) via fedex, for delivery tomorrow.
