Friend,

I'm sure you're getting bombarded with e-mails, so we'll keep this one short.

## Do you know where your polling location is?

Yes

No

Tomorrow is a crucial day. It's Tim's first time running statewide, and unless we can count on your vote, there is no telling what will happen.

Thanks for your support, and if you already know where you need to go to vote, **can you please donate to help us continue reaching out to other voters?**

We have to give this our all!

Thanks,

Team Scott
