Whichever you think is best. We're happy to come there. If off site is better for you, I'd ask that you recommend a place as I'm sure the places around when I worked there have changed!

Sure, 2 works - do you want to meet in the Statehouse, or did you want to meet off-site?

They just booked a subcommittee meeting next Thursday morning that I'll have to handle, so hopefully we could meet sometime in the afternoon? Thanks.

Christian – are you (or someone of your choosing) around next Thursday (Jan 10) for a follow up meeting with Tim from Student's First? I am meeting him in Columbia for the day and it may be helpful for him to give you an update.

Thanks, let me know.
Happy New Year,
Chris.
