Subject: Parking pass

Katherine,

Short story, we cant find the parking pass. I will give the long version over a cocktail!

Anyways, duane knows someone who has spaces and is happy to offer to us. Duane said it is really close to stadium and a great spot.

Let me know if you want and who's name to put it in and will get you the details.

At a site visit this morning, but should be back in office by noon.
