Lynn – Thank you for sharing this with us. We have tried to educate callers to our office on this problem, too. The op-ed looks great and clears up the confusion well. Keep us posted if you know when it will be published.

Rebecca, Katherine,

I've attached a copy of the op-ed on the AFP ethics attack that I mentioned on Saturday (I've copied Swati as well). We're checking in now with our local Leagues up there to identify the best person to sign and submit.
