

Mrs. Haley;

I am currently seeking to ask you a question that is very important to me. I am incarcerated at SC DC. I am currently a resident at Walden Correctional Institution. I am a resident of Anderson/Oconee County. It is a 2 hour drive to my home town. The reason that I am contacting you is to enquire about being transferred upstate to Livesay C.I. I am eligible to go there and my family could visit me there. My mom is a 10 year cancer survivor but unable to travel, and my Dad currently a retiree from Milliken after 40 years also unable to travel due to eyesight. If it is possible could you look into this.

Both of my parents are long-term hardworking taxpayers who want to see their son!! Thanks and God Bless
