Dear Early Childhood Professionals, Friends and Advocates:

Good News! Due to continuing demand, we are extending the registration for the *Leading...A Vision for the Future* Professional Development day to be held in Columbia on May 1, 2014. You can now register up until April 30<sup>th</sup>, 2014 or until all spaces are filled. PO's can be accepted as well as checks, but to speed the process along please contact Julie Starr or Pat West at 803-532-6861 or fax registrations to 803-532-6497. The venue will be Brookland Baptist Convention Center and the day will feature local presenters from across the state along with two extremely outstanding Keynote Presenters! The Leading to Change Training Group out of Charlotte NC <http://www.leadingtochange.com/> and South Carolina's very own Dr. Tammy Pawloski from Francis Marion University will be delivering powerful keynotes to deepen our connections and communication across the ages and in our understanding of the importance our work now, more than ever, for young children and families who live in poverty.

It is always important to stay focused on our purpose in early childhood –to ensure our work is changing lives for a better chance to succeed in school, in life and for future generations in SC. Please do take time for this excellent opportunity to be energized and renewed in the challenging work that you do every day and care

so deeply about! I promise you will be glad you did!

Sincerely,

Mary Anne
