

problem, when people are looking
at it, it has to get into that
not right in the eye. It's hard
no one will have seen. It's hard
will thank again for a job well
done.

will please see if you can
do something about this problem.
well I hope it will do something
its about our problem. I hope you
can help people. my son has worked
+ now I hope it's hard for him
to get it. for you old. will thank
again for you. you have made a
good one. If people can see, they
need to pay for it. I just like people have
to do. will thank a lot.

I will be paying for you.
you have been the best of them
all. I am 79 years old. I know a lot of
them. Thanks

Mr. Mrs. J. K. K. K.

just a line to say how
have been the best for we
over had. you have done a great
get. the reason I am writing.
my son out of it. He will
grow old. now at that age the
have to get into.

And the reason I am writing, is
all the people coming on here.
from other places they should
pay taxes on just like we do.
I hope you can get things of.
you have done a great job. I wish
you could stay longer. I know you
have brought the in. I hope you can
get it to do something, they are
thriving on milk & our freedom. In
I agree + now. they were going to
get the milk. Well I think the time
to B. have something, I don't think
