**Subject:** From Director Heigel: New Senior Director of Legislative Affairs

All,

I am pleased to announce that David Wilson has been promoted to Senior Director of Legislative Affairs. In this role, David will report to me and work with Katie Phillips to coordinate and communicate agency policy matters with the S.C. General Assembly.

David has been a member of the DHEC team for more than 30 years and has managed various environmental programs. Most recently, he served as chief of our Bureau of Water and was the interim director of legislative affairs for Environmental Quality Control.

David's new role within the agency also will allow us to ensure a smooth succession for the next chief of the Bureau of Water. In the interim, David Baize will serve as acting chief of the bureau.

Please join me in welcoming David to this new role.

Best,  
Catherine
