Hi Doug,

Yesterday Haley and the gov's office said the \$130 million would come from new revenue the state expects. I did not ask whether she meant \$200 million in recurring or nonrecurring funds. (I assume recurring, but wanted to check).

Was that based on an old projection? I ask because I know the state's revenue projections are updated periodically, and one we received today at the press legislative workshop is higher than what Haley mentioned.

Best,

Jamie
