Holly,

Please see attached proposal. I called Bob Toomey, and he is all in.

There are several areas you all may want to weigh in on...based on the conversation today as to the Governor's preferences about having her cabinet agencies work in tandem on these kinds of reform efforts, you all might prefer to ask DHEC to do the research piece, and not use USC. I included USC, since we have a contract with them.

Please review the proposed timelines and let me know what you all think.

Thanks,
