Subject: Request for Eagle Scout Recognition letter ~ Website email from Nancy Campbell

Lieutenant Governor Bryant: am writing to request a letter of recognition for my son, Kollin Sherer Campbell, who has earned the rank of Eagle Scout from Boy Scout Troop 210 (Powdersville) of the Blue Ridge Council. Kollin's service project was to restore a firepit behind Powdersville First Baptist. He led a group of volunteers to install a vapor barrier, build a stone boundary, and add benches to make the firepit functional and attractive for the community. Kollin solicited gifts-in-kind and volunteers to accomplish a \$4K project with roughly \$700 in expenditures. Kollin is currently a Junior at the Governorâ€™s School for Science and Mathematics in Hartsville. Before Governorâ€™s School, he attended Powdersville High where he contributed to the 2016 Cross Country AAA State Championship team and the 2014 AA State Championship Marching Band. Thank you for your assistance in celebrating these accomplishments at the State House. There will be an Eagle Scout Court of Honor for Kollin on Sunday, October 8, 2017. We would be honored for excerpts of your letter to be read during the program. Following is the address for the letter: Kollin Sherer Campbell 107 Etowah Lane Piedmont, SC 29673 Thank you for assistance. Sincerely, Nancy S. Campbell
