Hi Everyone

There are many wonderful opportunities this year for employees that work on the Capitol complex. I am forwarding the Parks, Recreation and Tourism information on their Wellness Week. Please note the vision group coming called Eye Med. If you have Eye Med in your personal benefits package you will be able to participate in this vision screening without paying the full cost.. Check your medical benefits at <https://www.peba.sc.gov/insurance.html> or check your payroll stub under deductions for the vision benefit deduction.

Please note that I will be sending out information about Flu vaccine clinics in the near future!!

Thanks

Nurse Betsy
