Meet Mary Ann & Jay from Camden. They recently completed their Ultimate Outsider journey & stopped by our offices with their story & to pick up their t-shirts. Mary Ann's service dog, Rascal, visited most parks with them, but passed away before they finished. They are holding his photo in his memory! Congrats to them and we're so glad Rascal got to join them to many of the parks too! <http://bit.ly/K743X2>

**Joyce McCarrell** So sorry that Rascal couldn't complete the journey with you. Congratulations M

**Mary Beasley Brandenberger** Actually, he did. When he passed we were in Wyoming and he was cremated. The parks he hadn't been to were between there and home so we wanted to finish those with him on our way. Something we could do for him. Symbolic, but gave us some peace to do something for him.

**Jay Brandenberger** Thank you very much South Carolina State Parks for your kind support of Rascal. In the past three years Rascal visited forty of the forty seven State Parks. We lost him while on our last trip. On the way home we put the urn with Rascal's ashes in his favorite place to ride on the trips and completed the last seven parks.
