Diana Petersen We were there again this summer in Aug. Beautiful as usual. Have reservations for next Aug. as well. We met a couple couples. Exchanged addresses etc. One couple left before we got their address. Their names were Kate and Gary from Georgia. Was hoping perhaps they would see this or someone who knows them too. I think they were in #64 Aug.19-22. We enjoy this sight so much. It's like we keeping an eye on it. (Newton,NJ)
