She is scheduled to be in the office for 45 minutes this afternoon. It is possible that could change. If she doesn't come in, Becca would need to take them to the Mansion this afternoon a little before 3:00.

Good morning, Swati.

In follow up to my voicemail, I'm attaching a Governor's Certificate of Final Approval with respect to a bond deal that we are closing next week.

Our timing on this one is a little tighter than normal. Kindly let me if it would be possible for us to pick this up tomorrow.

As always, thank you for your assistance.

Ray

Ray,

Attached is the Governor's Certificate with respect to the not to exceed \$27,920,000 Education Facilities Revenue Bond, Series 2016 that JEDA will issue on behalf of TCTC Foundation, LLC to assist in the financing of certain projects at Tri-County Technical College. The issue is closing on the February 2 and we would like to have this certificate executed by Friday at close of business if possible so we may transmit to the purchaser of the Bonds for pre-closing on Monday, February 1.

I have also attached the Certificate regarding the Public Hearing signed by Rusty Burns, the Administrator for Anderson County, South Carolina and the Affidavit of Publication for the Notice of Public Hearing, each of which are referenced in the Governor's Certificate.

Thank you!
