Subject: Special Report: Immigration and Border Security

Hi Katherine,

President Obama's speech on immigration last week included a call for enhanced controls at the U.S.-Mexico border. _____

But despite Congressional support in both parties, border security is complicated, with more than a decade of poor planning, partisan disputes and missteps hanging over the debate.

CQ Roll Call's 20-page report, ***Border Security: Opportunities and Pitfalls***, offers an inside look at the complexities, from the political arena to the relationship between contractors and federal agencies.

It is packed with maps, statistics, interviews and analysis to help you understand the state of play.
