---

Thanks for your note – Rick and I are in the middle of playing email/VM tag...sounds like he'll be in Columbia later this months, so I look forward to meeting with him again then. Thanks.

**Subject:** Thank You and Following Up from SC PFS Working Group

Dear Christian,

I hope that this message finds you well. I am contacting you on behalf of Rick Edwards from Third Sector Capital (cc'd), who was happy to see you again last week at Steve Mann's working group at USC. Rick was especially glad that you enjoyed being the head of the government response team in the PFS case study.

In response to last week, we would love to work with you as you roll out your PFS project in South Carolina and look forward to keeping you in touch with our team and Joe Waters (cc'd: fyi he was hired by Duke Endowment to provide feasibility through June of 2013 on PFS).

All the best,  
Marcia and Rick
