June 18 – July 13:

Records were pulled beginning June 18th, the day after the Mother Emanuel Church shooting on the evening of June 17th, and ending July 13th, the Monday following the weekend after the removal of the Confederate flag on Friday, July 10th.

Subject: Two follow ups from The State newspaper

1) Did you figure out the full range of dates for this FOIA?

Becca or Holly – can you get us this pretty easily?

2) Did the governor's office report or refer any of the emails that came in to SLED for any reason, including criminal level threats?

Thoughts here?
