

Personalities, and words radiate power and I am so impressed with your leadership abilities but also your humility. Again, I am so thankful to have had the opportunity to meet both of you and if there is ever an opportunity to see you both again, I would love that! Have a wonderful holiday season!

Peace + Joy,

Peyton Elmore

Dear Governor Haley and Mrs. Veldran,  
I just wanted to thank you both for allowing me the opportunity and pleasure of meeting you both. You two have so much class, determination, and many other admirable traits. I can say that I look up to both of you as role models and hope to emulate your honesty, hard work, trustworthiness, and grace. I am so proud to live in South Carolina because of the wonderful leadership we have here. I am still dumbfounded that I got to meet you two. Your appearances,
