FOR IMMEDIATE RELEASE

Dear Legislators,

[immediate-release-parental-rights-amendment-is-here](#)

AVNetnews supports those parents and children who cannot speak for themselves as follows from a South Carolina resident. This author speaks as a Florida resident this problem is nationwide. Have the courage to spearhead this legislation in South Carolina?

Let's remember Walter Scott, who left behind 4 kids after being shot in the back while fleeing one too many arrests for child support that he was unable to pay.

Lets remember public knowledge says 80% of the men on death row come from fatherless homes.
