## South Carolina State Parks

at 15:05:08 on 3/18/2011 UTC ·

FULL MOON! There's a full moon this weekend, one of the biggest in years, and we're doing a moonlight canoe float at Cheraw to take advantage of this awesome time. Reservations are \$10. You can use our boat or bring your own. To reserve your spot call 843-537-9656 by noon tomorrow. We will meet at 6:30pm at the park office. Don't miss it!

### Weekend full moon the biggest in about 20 years

If the moon looks a little bit bigger and brighter this weekend, there's a reason for that. It is.
