Taylor,

Another quick update. I spoke with Mr. Scott this morning. He also spoke with Derek and got his full side of the issue. Mr. Scott's understanding of Derek's issue is the same as mine so I'm comfortable that we're all working on the right problem. If everything proves out, then we may well have resolution on the issue later today or tomorrow. Fingers are crossed.....and I'll keep you posted.

Thanks so much, Mark. I've copied Katherine in so she is in the loop, too.

Taylor,

I spoke with Derek at length on Monday morning. Then I spoke with Roger Scott at DHEC. He runs the department that handles these permits. He is gathering his information and will get back to me. If I haven't heard from him by the end of the day today, I will follow up with him in the morning. I'll keep you posted.

Mark,

Katherine Veldran asked me to follow-up with you on the conversation you all had with Mr. Banov.

Any update you can provide would be very helpful.

Thank you,

Taylor
