Hi Ms. Adams,

I'm with Martha Raddatz's team at ABC News in Washington. We'd like to confirm Governor Nikki Haley's overseas trips. Could you confirm that there were seven since she took office? The Post and Courier reports these below. Possible to confirm as well?

2011 - Paris air show/BMW's headquarters visit in Germany
2012 - London air show
2012 - Japan trade mission
2013 - Frankfurt auto show
2014 - Canada trade mission
2014 - India trade mission
2015 - Sweden (Secret visit for Volvo plant negotiations)
2015 - Frankfurt auto show/Sweden trade mission

Thank you.

Sincerely,
Elizabeth McLaughlin
