Okay, if I don't hear back by tomorrow morning then I'll just keep hounding them tomorrow.

That all sounds good. Let's see if you hear back from SHJ.

I have talked to Mr. Gerald Emory and he pretty much said he would accommodate us however we needed. Registration begins at 11:30 and the meeting starts at 12:00 and will run until 1:00. He said people congregate before and after the meeting but the number of people congregating just depends on the day. I have also called the Spartanburg Herald Journal and have left messages with two people, both of which were the end of a separate series of being transferred around. Was there anything else I needed to ask Mr. Emory, or is there anything other than the general scheduling of about a 30 minute meeting and tour for the SHJ?
