**Subject:** THANKS TO THE GOVERNOR

---

MS. VELDRAN: As I expressed earlier today, I appreciate the spotlight that Governor Haley put on the problem of youth bullying yesterday during her visit to the School for the Creative Arts on Hilton Head. Please express my gratitude and that of our staff here at the mental health center to the Governor.

Bullying is often a hidden problem that, in some instances, can have serious consequences. Please let Governor Haley and her staff know that our specialized child, adolescent and family mental health staff is ready to help students and families to deal with the emotional consequences of bullying. – RAY NORRIS
