We are all set for 4 tomorrow afternoon. I'll ask Ashley to set up a conference call bridge.

Fred,

Yes. How about tomorrow Tuesday afternoon at 4?

Let me know if that works.

Ted

Ted,

The comprehensive university presidents have taken note of Clemson's Enterprise bill and CU's effort to acquire some level of exemption from the state's procurement and grievance acts. Is it possible that David DeCenzo and I could arrange a conference call with you to discuss the Governor's position on this legislation as it may pertain to the other universities in the state?

Fred
