Hey Chaney,

This is Preston Willett with News 12 in North Augusta. I had two questions if we could get responses today.

1. When will Gov. Haley be coming to North Augusta to sign the Gun Reciprocity bill?
2. This has to do with a story I'm working on today. Can I get a comment on why there was a 100% match in flood relief in this years budget when in 14-15 there was originally no ice storm relief and eventually only a 25% match?

As quick a response as possible would be appreciated.

Thanks,  
Preston
