Yeah, if they're comfortable with something like that, then that would be helpful as we work to line up sponsors. The actual proposed text should be an attachment to this letter, so that a reader of this letter would know what we're talking about (since there's no Section 23-3-47 right now). Thanks.

Subject: Draft Letter

Hello Christian!

Is this the type of letter you were hoping for from SLED? I wasn't sure if citing the draft section number we want is appropriate, given that it might change?

If you give me the go-ahead, Ill send this to SLED and Kathryn said she can pass it on to Chief Keel or Assistant Chief Thomas.

Thank you!
Caitlin
