Dear cowardly Democrat Niki,

you love muslims, if it offends
a mosque it will kill you,

you love immigrants, illegal
immigrants kill between 10x

and twenty five Americans a day,
you and your communist friends

in Washington were stealing millions
of dollars in Syrian oil. Russia

put and end to that. Now you can
only collect from the drug cartels,

and you are scared of them. MS13
is in every state. What will you

do you and your friends and love
Donald.

Pay attention to history in the Bible,
things are going to happen so fast

you and your friends won't have
time to live. ~~At~~
