Chaney and Rob,

I talked about this a while ago with Kim, and she followed up with the text and picture below. N was invited to attend the event but was not able to. Would she be willing to do a FB post congratulating them on preparing dinner there?

Thanks,
Beth

"Congratulations to our four SC Chef Ambassadors for doing the Palmetto State proud at the James Beard House in New York City last night. Considered the Carnegie Hall of food, seeing Ramone Dickerson, Teryi Youngblood, Orchid Paulmeier and Forrest Parker take over the historic kitchen made for a great day in South Carolina!"

Here the chefs are addressing the dinner guests post dinner. I have not edited the image so please feel free to. It was dark in there so a bit of lightening would be great!

Thank you!!!!

So you're thinking something post dinner?! Maybe a message tomorrow saying how proud she is?!

Or something tonight?

Hi Beth!

I should have done this much sooner but do you
think Governor Haley would send out a message
sending well wishes to the Chef Ambassadors
cooking tonight at 7?

I can send you an image of them!

Let me know!
